Finding A Better Way Through Nature™

December 5, 2016

Dear Valued Client,

Thanks for your support and patronage. Because of you, the Integrative Wellness Center has helped more people this year than *any other year in our history!* We have continued to serve people in the greater Memphis area, as well as across the USA and around the world. We are excited and honored to see changed lives in a positive and healthy way.

I want you to know that I am grateful to you, my clients, and my staff, who have supported my efforts to educate and improve the lives of so many through better health. To show my gratitude, I have attached some coupons for you.

On behalf of my staff, Kim Martindale, Lindsay Bean, Mandy Cook, Hanna South, Andie Owens, and Penny Keras, I again thank you for your support and your business this year.

Sincerely,
John Smothers
