LASER CLASS IV PRICES 4/21/20

Laser Class IV 10 minutes/15 minutes

\$50.00/\$75.00

Laser Consultations: 3 Laser treatments included in consultation: \$300.00

The Laser Therapy Pre-Pay Plan is designed to start you on your way to better health while simultaneously making your treatment costs more affordable. It is a series of laser therapy treatments over 2-4 weeks and since there is no individual collections required every time you come and minimal paperwork, we can pass on considerable savings to you. This is an opportunity to lock in the prices against future price increases. Sessions are usually 3 per week for maximum effectiveness. Daily for chronic conditions. Maintenance is 1 per week to 1 per month.

Special Pre-Pay Packages:

3, 10 min sessions for	\$135.00	Savings: \$15
6, 10 min sessions for	\$270.00	Savings: \$30
6, 15 min sessions for	\$390.00	Savings: \$60
12, 15 min sessions for	\$780.00	Savings: \$120

Note: Should you desire to end therapy you are entitled to share your package. No refunds. Prices subject to change.
